

## Letter of Recommendation for Ramandeep Singh

To Whom It May Concern,

I am pleased to write this Letter of Recommendation for Ramandeep Singh, who worked with BranDeFy as a Videographer and Video Editor on a part-time basis for a period of 8 months.

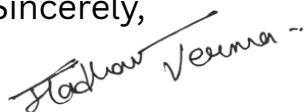

During his time with us, Ramandeep consistently demonstrated strong technical skills, creativity, and a keen eye for visual storytelling. He was involved in shooting and editing videos for multiple client projects, including promotional reels, brand videos, and social media content. His ability to understand brand requirements and translate them into engaging visual content was commendable.

Ramandeep showed professionalism in meeting deadlines, adapting to feedback, and collaborating effectively with the creative and marketing teams. Despite working part-time, he maintained a high level of commitment and ownership toward his work. His editing skills, sense of pacing, transitions, and attention to detail added significant value to our projects.

He is a self-motivated individual with a positive attitude and a willingness to learn and improve continuously. I am confident that Ramandeep will be a valuable asset to any organization or creative team he chooses to work with in the future.

I wish him all the very best in his professional endeavors. Please feel free to contact us if any additional information is required.

Sincerely,

Madhav Verma
